## UPDATE

Dear students, agents and collaborators,

As a result of COVID-19, and following the guidance of public health officials and the Canadian government, please note that classes at Interlangues remain temporarily suspended and our campus closed until the government lifts these measures.

In the meantime, we are pleased to introduce the **Interlangues Virtual Classroom**, a remote learning alternative where students will have the opportunity to continue their classes and attain their English goals in real time and in a real setting. Registration can be done online or via email.

Thank you for your patience and understanding. We hope to soon be accompanying you on your English journey once again!

Stay safe and be well!  
The Interlangues Team
